

GCSG

Global Compliance Solutions Group

Advisory ■ Audit ■ Due Diligence

GCSG reduces your risk and helps protect your business by partnering with you to deliver compliance solutions across a range of industries in jurisdictions around the world in the areas of Trade Compliance and Anti-Bribery and Corruption.

The GCSG service team delivers international compliance program assessment, development, and implementation support, audit, investigation, and third-party risk management services. GCSG's innovative solutions enable our clients to operate in compliance with the law while facilitating efficient sales and trade.

GCSG recognizes each company and business is unique from any other. These unique factors should be considered when analyzing and implementing compliance programs and strategies. GCSG personnel possess valuable in-house audit and compliance management experience, the required technical expertise, as well as the relational skills to assist corporations with their international compliance needs.

"We have used GCSG both as an outsourced compliance function as well as for highly specialized audits and seller's due diligence memoranda. GCSG consistently provides excellent results in a timely and cost-effective manner employing highly-seasoned professionals with hands-on experience. They are also an excellent resource to supplement an in-house compliance team and provide an independent assessment of the compliance function." – Edward

"GCSG is a true business partner. The team is insightful, responsive and professional. They flag issues appropriately and have helped us develop a risk-based compliance program that will serve our company well. I look forward to our ongoing working relationship and would not hesitate to recommend GCSG to other companies looking for advice with compliance matters." – Kim

We guide and partner with you to reduce compliance risk and help protect your company's bottom line and reputation. Our commitment is to focus on integrity, service, and accountability as we strive to exceed our clients' expectations.
